

St George's
WEYBRIDGE

Donor Charter

We are very grateful to all our donors who have generously supported St George's. We have welcomed donations, large and small since we were founded in 1869 and have used them to enhance the educational experience of our students. We are a registered educational charity no. 1017853.

Our Promise to you

To tell you how every donation you make to St George's Weybridge will be used to enhance the education of all children at St George's ensuring they become the very best versions of themselves.

By reporting on how your donation has helped to fund buildings and facilities to provide an environment where all children will flourish and feel inspired and to provide funding for Assisted Places; ensuring a St George's education is available to able children whose parents are unable to afford school fees. Our GROW campaign outlines the areas of support. To find out more please contact development@stgeorgesweybridge.com

Use your donation responsibly

Your donation will be used to support the objectives of St George's Weybridge as outlined in our charitable purposes. The school will judge each potential donation on its merits and may decline a gift in accordance with its Donation Acceptance Policy.
