WEYBRIDGE

**Donor Charter**

**We are very grateful to all our donors who have generously supported St George's. We are a registered educational charity no. 1017853 and are committed to maintaining the highest possible standards in our fundraising. Our mission as a perfectly balanced, co-educational, 3-18, Josephite, Catholic School is to inspire all in our Georgian Family to be the best versions of themselves.**

## Our Promise to you

To tell you how every donation you make to St George's Weybridge will be used to enhance the education of all children at St George's ensuring they become the very best versions of themselves.

By reporting on how your donation has helped to fund buildings and facilities to provide an environment where all children will flourish and feel inspired and to provide funding for bursaries; ensuring a St George's education is available to able children whose parents are unable to afford school fees. Our GROW campaign outlines the areas of support. To find out more please contact [development@stgeorgesweybridge.com](mailto:development@stgeorgesweybridge.com)
